

GOLF fore the CURE™

Presented by  **SUBARU**

"One round can make a difference"

What is Golf Fore the Cure?

Golf Fore the Cure was created by Golf Canada to drive women's participation in the game of golf. By partnering with the Canadian Cancer Society and the Quebec Breast Cancer Foundation, we have also added awareness and fundraising components to support the fight against breast cancer.

Golf Fore the Cure is all about using the sheer power of women playing the game of golf to make a difference. This is the chance for volunteers across the country to help raise money and assist in a very worthy cause that is close to many women across the country – the fight against breast cancer. Individuals or golf clubs can run any golf related event (scramble, member/guest day, two-person alternate shot, ladies day, etc.) under the Golf Fore the Cure banner, at no cost to you or your host Club. Even if you are not a golfer there are ways to get involved. Be a part of this cause- be a participant, be a site organizer, help make a difference!!

How do I run a Golf Fore the Cure event?

1. Find a date that works best for your event. You don't need to schedule anything new, you can take an existing ladies league night/tournament and add value to it with Golf Fore the Cure
2. Register your event with Golf Canada online or request a hardcopy form
3. You will receive your event kit 2-3 weeks before your event date. In addition to prizing and signage this kit contains program materials that will help you run the event
4. Use pledge forms found in the event kit or the online fundraising tool to raise money. You can choose to allocate the funds raised towards nation-wide breast cancer research or support programs in your province
5. Run your event
6. Within 2 weeks following your event, send your post-event wrap up package back to Golf Canada with all cheques, pledge forms and participant summaries

It's that simple! Become a part of Canada's largest grassroots golf participation program for women and register your course today. For more information please contact gftc@golfcanada.ca
